DELTA 8

OUR COMPANY

U.S. Hemp and Oil offers revolutionary Hemp products and extraction services. A seed to shelf operation bringing wellness to the mind and Body. We ensure quality, consistency and transparency with our laboratory processed oils. Each Delta 8 batch has been made from 99% pure CBD Isolate free of heavy metals, pesticides and microbials. Delta "D8" Distillate exhibits a mild psychotropic potency and produces a high that is both lucid and uplifting while maintaining a sense of calm and tranquility.

WHAT IS "D8"?

The main difference in Delta "D8"-Thc and Delta "D9" is federal and state legality. Delta "D8" is federally legal in 38 states while Delta "D9"thc is federally illegal in most states. The 2018 Farm bill ratified and signed into law December 2018, states cannabis containing less than $<0.3\%$ Delta D9 is legally classified as Hemp for all intents and purposes under federal law. Keep out of reach of children. Adults 21+

All our Delta-8 Oils undergo third-party testing by leading testing agencies. Each lab report verifies our D8 products are void of harmful particulates and measure the potency levels to ensure they match (or exceed) what we advertise. The facilities we utilize for our extractions and bottling have all earned the GMP seal for cleanliness and safety.
